

PROPERTY DESCRIPTION

A RARE BUILDING OPPORTUNITY Set within one of the area's most sought after addresses in Formby, this exciting opportunity offers a substantial plot currently occupied by a traditional three bedroom semi-detached house which requires modernisation. The property benefits from OUTLINE PLANNING PERMISSION (DC/2024/02054) to divide the plot to create an exceptional contemporary residence. Plans allow for a striking, architect designed five bedroom detached dwelling offering expansive and versatile living space, along with a double garage and ample off road parking.

What makes this opportunity truly unique is the ability to live on site in the existing 3-bedroom property while you oversee the build of your dream home - a rare convenience that allows you to be hands on during the construction.

Whether you are a developer, investor or someone ready to create a bespoke forever home, this plot combines location, potential and flexibility in a way that seldom becomes available.
